For your review. Everett made some edits, which I would like you to review before I start routing this one.

Thanks!

Hi Rebecca,

The letter looks good. I like your approach in just addressing the information request, and I think

that's probably our best option for responding. I've got some suggested edits to make it clear that this is what we're doing with the letter.

Let me know if you have any questions,

I think this is really an ORC question. I don't think we typically respond to these but not positive.

Hi Richard,

We received this letter from a citizen regarding GKM. We wanted you to take a peek at this part of the letter. I don't know what this means and wasn't sure if there was anything that needed to be done on our end.

This is my "notice" under 33 U.S.C. 1365 as to these problems.

Thanks!
